

M. B. Patel College of Arts, Commerce & Science, Sadak Arjuni

Falling in the lines of the vision of the College and dream of our founder, we are committed to the following core values.

Core Values of the College:

Ethics and Dignity:

It is our constant effort to stick to the utmost honesty, fairness, human ethics, respect and equal opportunity for all irrespective of caste, creed and gender. We emphasize dignity and try to ensure participation of all of the stakeholders. We wish all our conduct be based on civility, respect, mutual understanding and human values.

Excellence:

We strive hard to instill excellence all our academic endeavors. We constantly work on improvements and take honest efforts to imbibe innovation in our teaching and research. We are committed to self improvement to reach the goal of excellence in pursuit for excellence.

Diversity:

We have always celebrated the diversity and welcome all of the aspects of diversity to develop vibrant learning community. We are committed to intercultural exchange and strive hard to develop a learning community which is free from all sorts of differences and is supportive in every respect.

Student Focus:

Students constitute the locus of the institution and all are efforts are directed at the all round development of our students. All of the academic ventures are chalked out keeping students at its centre.

Academic Integrity:

We always guide our faculties and students to foster academic integrity. Faculties are encouraged to undertake different academic endeavors in consonance with academic integrity. We firmly believe that academic integrity on the part of faculties and students can transform the society at large.
