

INSTITUTIONAL DISTINCTIVENESS

Vision of the institution as depicted in its emblem “**Dnyanam Paramam Balam**” (**Knowledge is Supreme Strength**) is making students aware about the strength of knowledge as well as availing them an opportunity to explore and unleash infinite source of potential lying within them. It has always been our endeavor to transform our students into the persona who are physically and emotionally strong, logically rational, intellectually and academically accomplished, socially and ecologically sensitive and morally righteous. To achieve this aim, the following initiatives are undertaken:-

• **Teaching-learning tools -**

Various ICT enabled teaching and learning tools are used in college apart from chalk and board as follows-

- Use of smart interactive boards
- Students class Seminars
- Group Discussion method
- Quiz competitions
- Poster Making

• **Extension activities -**

It has become essential today to sensitize students about different issues that confront the society by the way of exposure to the outside world and local community. Extension activities serve this purpose. All of the extension activities conducted by the college are aimed at holistic development of the students. These activities provide the students break from the routine curricular study and provide them an opportunity to understand the problems existing in the society. Through the extension activities, different social evils and their impact on the people in particular and on the society as whole are brought to the notice of students. At the same time, they also learn about different progressive activities going on in the society. Many of the extension activities are carried out through the medium of NSS. We have extended valuable support and helping hand in neighborhood community with the help of NSS. Our NSS department has adopted a nearby village called Kesalwada.

List of Activities:

- Plantation of saplings on and off the campus
- Blood donation camp
- Free health check-up camp
- Construction of a Check Dam in nearby river
- Swachh Bharat Mission Campaign
- Cleanliness Drive in adopted village

- Awareness program on open defecation-free village scheme.
- Soak-pits were dug.
- Awareness program on traffic rules and road safety
- Awareness rally on anti-tobacco and anti-liquor
- Awareness program on superstition eradication.

• **Field-Visits & Education Tours -**

Different departments of the college conduct field-visits and educational tour to provide students with experiential learning.

• **Projects and Surveys -**

Various departments are allotting projects to U.G. and P.G. students on different recent topics related to their syllabus. Different surveys are undertaken by various departments related to their curriculum.

• **Short Term Certificate Courses -**

Various departments are conducting short term certificate courses for students which help them for becoming ready for industry. The purpose of Short term certificate courses is to update and train students with latest technical development happening in the industry through various activities like workshops and seminars.

• **Personality Development Programmes -**

The institute organizes Personality Development workshops and seminars to enhance the confidence level and communication skills of the students. It also helps them in developing the right attitude and aptitude

• **Guidance for Competitive Exams -**

The institute organizes workshops and seminars for guiding students about competitive exams like UPSC, MPSC, SSC, IBPS etc. They are also provided the guidance of filling the form for various competitive exam and also helped to fill the form from college.
